	2024	
CGPA: 6.8	2020	—
Higher Secondary Certificate (HSC), Govt Vidharbha Institute of Science and Technologies	2021	
Percentage: 74%		
Secondary School Certificate (SSC), Golden Kids English High School		
Percentage: 77%		

## TECHNICAL SKILLS

---

Languages: Python, JavaScript, PHP, MySQL, HTML/CSS, MERN Stack

Frameworks: Django, Bootstrap

Developer Tools: Git, VS Code, MongoDB Atlas

Databases: MySQL, MongoDB

## PROJECTS

---

Art Platform (HTML/CSS, MERN Stack)

Built a full-stack web application where users can buy and sell art. Implemented user authentication, profile creation, and personalized dashboards for artists and buyers. Features include uploading and managing artwork,

searching for art by category, and a review system for buyers. Designed a responsive UI with advanced filtering options to enhance user experience. Deployed the platform on a cloud server for scalability and performance optimization.

## E-commerce Website

(HTML/CSS/JavaScript, PHP, MySQL)

Created an online shopping platform with key features including dynamic product listings, cart functionality, secure payment integration, and real-time order tracking. Built an interactive admin dashboard for efficient product inventory management and ensured smooth transaction processes with a robust payment gateway. Focused on delivering a user-friendly and visually engaging interface utilizing Bootstrap for responsive design.
